

Kinetico Testimonial Submission Guidelines

Thank you for agreeing to provide a testimonial about Kinetico! We accept video or written testimonials. Below are the guidelines for each. These guidelines help us maintain the quality and consistency of submissions provided by our customers. Once we have reviewed your submission and have your signed release form on file, your testimonial may be used on our social media accounts and website.

Video Testimonial Guidelines

1. Record the video on your smart phone or tablet. You can use other recording devices, but a smart phone or tablet is preferred.
2. Record the video in landscape format. This means your device should be horizontal or sideways with the side resting on a surface.
3. Keep your video brief. We suggest two minutes or less.
4. Use a quiet, well-lit setting. Recording the video indoor will minimize sounds.
5. Set your device on a solid surface while recording for stability. You can also use a selfie stick or stabilizer.
6. Use the questions below as a guide for your testimonial.
7. Once completed, email the video to your Kinetico representative or our Marketing Department: slewis@kinetico.com. If the file is too large to email, please call Sharon Lewis for instructions: 440-564-4268.
